Why Some Medical Groups Thrive

Why do some medical groups thrive while others constantly struggle, even in the same market? Have you ever looked at two practices in same city with similar physicians, similar patient populations and similar payer contracts and wondered why one group seems calm, strategic, financially healthy and growing while the other feels stressed, chaotic, reactive and constantly fighting fires?

Introduction to Medical Money Matters

That difference is rarely luck. Welcome to Medical Money Matters, the podcast where you can find experts, answers, and resources so that you achieve mastery over the financial and business aspects of your practice.
