Introduction to Lyme Core Botanicals

Are you suffering from Lyme disease or another complex chronic illness and aren't sure who to trust when it comes to herbal supplements? Hi, I'm Doctor Mariah Hinchey, founder of Lyme Core Botanicals.

Why Trust Matters in Herbal Medicine

As a natural apothic physician specializing in complex, chronic infection driven illnesses like Lyme disease, I needed herbal medicine I could truly trust.

That's why I formulated Lyme core botanicals, where our herbal tinctures are handcrafted in small batches right here in Connecticut.

Small-Batch Herbal Formulation in Connecticut

We use the whole herb never isolates to preserve the full spectrum of medicinal compounds. Every single step from sourcing to extraction is done with precision to ensure maximum purity, potency and consistency.

Whole-Herb Extraction and Quality Standards

These are the same herbal formulas I used to heal myself and have used for years to help my patients and family members heal too. And now I'm making them available to practitioners and patients everywhere.
