I struggled for years with anxiety and physical maladies. After my dad died.

Tom McCarthyu2019s Healing Journey

When I was just three years old, traditional medicine didn't provide me with answers. So I turned to energy medicine. It was then that I discovered the true mind body connection that was causing my chronic illnesses. Throughout the years, I've met many wise and caring healers who have helped me lead a healthy and energetic life.

Recognizing that much of the world is still unaware of energy medicine, I made it my mission to educate others about its wonderful capabilities. This is why I'm hosting this summit to share my knowledge and help thousands worldwide achieve optimal health and make the most of their lives.
