Welcome to Reverse Alzheimer's 3.0 Summit

Hi, Dr. Heather Sandison here, and thanks again for purchasing the reverse Alzheimer's 3.0 summit. You've made an excellent choice and a huge first step towards understanding how to reverse, delay and prevent the onset of Alzheimer's symptoms.

At this summit, you'll find hope, opportunities and solutions to change the lives of those you love and your own.

Mission and Integrative Approach to Alzheimer's Care

As the founder of Solcere Health Clinic, a Marama residential care facility, the first residential care facility for the elderly of its kind. I am passionate about my mission to help those suffering with Alzheimer's and other dementias through my work, hosting the Reverse Alzheimer's Summit and the Collective Insights Podcast.

I hope to share my knowledge and inspire others to take an integrative and effective approach to reversing and preventing this devastating disease. And so excited for you to experience this summit in your own way and at your very own pace.

Accessing Summit Content and Bonuses

I want you to be able to come back to these incredible presentations whenever you need them. Speaking of which, this is a great time to remind you of two things.
