Welcome to the Fertility Summit

Hi, I'm Doctor Aumatma Simmons here. Thanks for joining me at the Beyond Infertility Navigating Your Path to Parenthood Summit. You've made a very brave choice toward solving your fertility challenges.

I found myself in a difficult situation when I realized that I had married the wrong person. He wanted children, but my uterus was screaming. No!

Personal Fertility Journey and Hope

Having children with the wrong man just wasn't an option. So I made a tough decision to divorce, but I was getting close to that age of 35. So I delved into what I could do for my own fertility.

Nearly eight years later, I welcome my child with my current partner successfully on the first try. It's amazing how many possibilities there are for supporting fertility naturally.

I want to share everything that I've learned with you. That's why I'm hosting this summit.

How to Access Summit Content and Bonuses

I'm so excited for you to experience this summit in your own way, at your own pace. I want you to be able to come back to these incredible presentations whenever you need them.

Speaking of which, this is a great time to remind you of two things. One, you have access to dozens of videos from the summit forever. Two you can also download and read all the transcripts and audio files.

I find it particularly helpful to listen to the audio versions in my car, on the way to work, or during my morning walk. And also, don't forget to download your bonuses from our speakers.

They contain exceptional value on your healing journey. You could access all of these items at any time in the menu located at the top of your account profile.

Support and Closing Remarks

If you bought any other products during the checkout process, an email with instructions on accessing them is already in your inbox. If you can't locate it, please email us at support@drtalks.com.

You could also contact us if you have general questions about your account. Our diligent support team at DrTalks is here to assist you at any time. That's it for now.

Please enjoy everything the summit offers. We are here for you together on the journey to health and fertility.
