Why Hashimoto's Can Be Reversed

Also, don't forget to download your bonuses. They're worth thousands of dollars. But during the summit they're yours just for registering Hashimoto's can be so confusing and isolating, especially if you've been told there's nothing you can do about it.

But that's not true. I've been where you are, and I know firsthand that you can heal your thyroid. And that's why I'm hosting the summit to show you that it's possible.

Expert Speaker Highlights

Get ready to gain brilliant insights from dozens of experts who spent years figuring out the puzzle that has Hashimoto's Thyroiditis. You'll hear from Dr.

Eric Balcavage, co-author of the bestselling book The Thyroid Debacle. Together, we'll discuss the current problems the allopathic and functional models of hypothyroidism. Dr.

Robert Floyd will discuss how the standard American diet, along with many other environmental toxins, is harming our mitochondria, leading to increased autoimmune disease.

Together with Dr. Eric Osansky will cover uncover how to determine if someone has graves or Hashimoto's with hypo hypothyroid symptoms along with Dr. Lisa Song, we'll explore what a holistic pediatrician's approach to children's thyroid health looks like.

Those are only four of the more than 40 speakers that will be accompanying you during your summit journey. If you know anyone who could benefit from the summit, let them know.
