Welcome to Parkinson's Solutions Summit 2.0

Hi, Dr. Kenneth Sharlin here. Thanks again for joining me at the Parkinson's Solutions Summit 2.0. You've taken an incredible first step toward reclaiming control over your life.

I'm a neurologist with over 30 years of experience.

Accessing Summit Videos, Transcripts, and Audio

I've devoted my career to enhancing the quality of life for people with Parkinson's. I know how frustrating it can feel when doctors don't fully understand your condition's complexities.

This summit is all about bridging that gap. It's about providing you with the support, knowledge, and understanding you deserve. I'm so excited for you to experience this summit in your own way and at your own pace.

I want you to be able to come back to these incredible presentations whenever you need them. Oh, speaking of which, this is a great time to remind you of two things.

You'll have access to dozens of videos from the summit for ever. You can download and read all the transcripts and audio files.

Downloading Bonuses and Getting Support

I find it particularly helpful to listen to the audio versions in my car, on the way to work, or during my morning walks. Also, don't forget to download your bonuses from our speakers.

They contain exceptional value on your healing journey. You can access all these items at any time in the menu located at the top of your account profile.

If you bought any other products during the checkout process, an email from us with instructions on accessing them is already in your inbox. If you can't locate it, please email us at.

support@drtalks.com. Also, you can contact us if you have general questions about your account. Our diligent support team at DrTalks is here to assist you any time.

That's it for now. Please enjoy everything the summit offers. We are here for you together on your journey to health.
