Welcome to the Summit

Hi, Dr. Mill here. Thanks again for joining me at the reversing nasal activation Syndrome and Histamine Intolerance 2.0 summit.

Accessing Videos, Transcripts, and Audio

You've made an excellent choice and a huge first step towards finding the truth about your symptoms. Like you, I've been a patient desperately seeking answers only to feel ignored and overlooked.

And that's why I'm hosting this summit to help you find those answers. Because you're unique and you deserve to be heard and get the answers. I'm so excited for you to experience this summit in your own way and at your own pace.

I want you to be able to come back to these incredible presentations whenever you need them. Speaking of which, this is a great time to remind you of two things.

You have access to dozens of videos from the summit forever.

Downloading Bonuses and Finding Resources

You can also download and read all of the transcripts and audio files. I find it particularly helpful to listen to the audio versions in my car on the way to work during my morning walk.

Also, don't forget to download your bonuses from our speakers. They contain exceptional value on your healing journey and can provide you more information.

You can access all of these items at any time in the menu located at the top of your account profile. If you bought any other products during the checkout process, an email from us with instructions on accessing them is already in your inbox.

Support and Closing Remarks

If you can't locate it, please email us at support@drtalks.com. You can also contact us if you have general questions about your account. Our diligent support team at DrTalks is here to assist you any time.

That's it for now. Please enjoy everything the summit offers. We are here for you together on your health journey.
