Welcome to the Sleep Deep Summit

Hi, Dr. Audrey Wells here. And thanks again for obtaining DrTalk's premium to the Sleep Deep Summit. You've made a huge first step toward discovering solutions to take back control of your nights.

Listen, I've been where you are, and I know the pain that comes with sleep disorders. It's not just about being tired.

Accessing Summit Content and Replays

It's about feeling like you're losing control of your life. I found a way to overcome my sleep problems, and I've helped thousands and thousands to overcome theirs.

I want the same for you. That's why I'm hosting the Sleep Deep Summit. To help people like you find solutions that are going to work. Night after night.

I'm so excited for you to experience this summit in your own way and at your own pace. I want you to be able to come back to these incredible presentations whenever you need them.

Speaking of which, this is a great time to remind you of a couple things. First off, you have access to all 40 plus videos from the summit forever. You can also download and read all the transcripts or listen to the audio files.

Downloading Bonuses and Getting Support

Now I find it particularly helpful to listen to audio recordings, either in my car, on the way to work, or during my morning walk. Also, don't forget to download your bonuses from our speakers.

They contain exceptional value to help you along in this journey. You can access all these items at any time in the menu located at the top of your account profile.

If you bought any other products during the checkout process, an email from us with instructions on accessing them is already in your inbox. If you can't locate it, don't be shy.

Just email us at support@drtalks.com. You can also contact us if you have general questions about your account. We have a diligent support team here at DrTalks and they're ready to assist you at any time.

That's it for now. Please enjoy everything this summit offers. We're here for you together on your journey to thriving in your life.
